

SPHS Gift Wrap Booth Student Behavior Contract

I am reporting to work at the booth for the shift I signed up for. By signing below, I agree that

1. I will stay at the booth during the entire shift, except for short restroom breaks which I have cleared with the adult on staff. I understand that I am to sign in and out with a true representation of the time I arrived and left my shift.
2. I will let my director and/or email sphsbandparents@gmail.com in the event that I cannot make my shift.
3. I understand that a 3 hour shift does not allow me a meal break. A back to back shift of 6 hours, will allow me a meal break. Meal breaks have to be cleared with the adult on staff and signed out for. No food in the booths.
4. I will control my language and behave appropriately during the entire shift.
5. I will focus on supporting the booth and the customers instead of socializing with my friends.
6. I will defer to the instructions of the adult in charge on the shift.
7. I will wear a SPHS Band/Guard shirt for every shift I work.
8. I will not stay on shifts that I am not scheduled for.
9. I will not use gift wrap supplies to wrap my own personal gifts or to wrap gifts for my friends. I understand that if I or my friends want to wrap something, we must pay for it as any other paying customer.
10. I understand that if I fail to abide by this contract, the adult in charge has the authority to send me home and my gift wrap booth privileges will be suspended for the remainder of the year.
